

## Recent tasters at Hele Hub Community Interest Company in Torquay

### **Learning the techniques of making soap.**

Learners had fun making soap from scratch and discussed opportunities for starting their own business. Learners could progress onto the NCFE Mixed Crafts qualification which Hele Hub also run. One lady would like to learn more and go on to teach it herself, whilst another was hoping to use her knowledge in her work with vulnerable adults as a craft or social activity.

The results look amazing – good enough to eat!
