

Recent tasters at Teignmouth Community College on the Teign estuary

Sailing for beginners with Sea Sports on the Teign estuary provided an introduction to a green activity - sailing, including safety and use of equipment. Learners could go on to complete RYA Dinghy Sailing Level 1. One learner intends to complete Level 1 and 2 courses and to volunteer with kids on a Saturday with windsurfing. Another learner comment was 'the course was well run, great fun.. just what Teignmouth needs.'
