

NEW ADULT LEARNING IN?

We have recently run some successful courses in IT in our new room in the village hall... Other groups have

organised various courses over the years, with varying degrees of success. Lottery money may be available to expand the Centre and offer a wider range of courses (I.T. and other subjects). First, we need to see if there would be sufficient demand. Can you take a few minutes to help us?

Is any of this training for your work or **employment** prospects? **YES / NO**

Please **tick one** of the following:

- I don't mind travelling to study (e.g. to city)
- I would be more interested if I could study in the village
- I would only be interested if I can study in the village

If you ticked **2** or **3**, is this **because of**:

- **transport** problems
- **childcare** problems
- lack of **time**
- some **other reason**:

Would you **prefer**:

- A course with a **tutor** at a **fixed time** each week
Self-study (with on-line support) at times of my choosing
